

### **Dorset Advanced Motorcycle Training Insurance Declaration (Under 18)**

Trainee's Full Name:

#### **Declaration**

By attending this course I confirm I have read, understood and agree to the terms and conditions on your website and am fully aware of my responsibilities as a trainee with Dorset Advanced Motorcycle Training.

#### **Insurance Declaration**

I accept full responsibility to pay in full for any damage and repairs caused to the motorcycle and equipment while in my care, up to the value of £450. Above this I assume your insurance would be advised as a result of an accident whilst riding the motorcycle/moped. I would only be liable to pay your excess of £450 unless it was proven the accident was solely my fault after a full insurance investigation.

In the result of an accident you will be required, and any other parties if required, to complete an Accident, Damage & Liability form and on completion of the form you will be liable for any cost as described above once the vehicles involved have been assessed. Should you be involved in an accident with another pupils bike that is that of their own property the terms will remain, apart from any cost for repair up to £450 will be payable to the other party directly with any cost above £450 being payable to DAMT for an insurance claim.

I also confirm my driving licence is valid for the purpose of riding on the public highway.

**Using your own vehicle only;** I can confirm that if I am to use my own motorcycle or moped that the vehicle I am riding has a minimum of 3rd party insurance cover, has a valid MOT, has valid road tax and is safe to be riding. I accept that if my vehicle is involved in an accident or is damaged, that is my fault, I am liable for any damages to my own vehicle and/or other parties involved. Should I be involved in an accident with another training bike, that is not my fault, the other party involved is liable to pay any cost directly to you up to the value of £450 otherwise any cost above this will be done directly via our insurance company. Any accidents with any other parties not associated with Dorset Advanced Motorcycle Training, that is not your fault, will be claimed via our own insurance for all parties involved.

We offer an insurance waivers that will absolve you of all damage liability caused to the motorcycle/scooter on the day or course when paid in advance. This is not a compulsory and non payment will be referred to our standard £450 excess policy. (£19.99 for CBT's & £39.99 for any other training)

Parent/Guardian; by completing the details and signing below you are accepting the terms and liability for the trainee named above. Should you have any questions or concerns please feel free to contact us directly on 01202 573869.
